## A Country House,

And about 200 acres of Land, within 3 miles of Alexandria, will be sold by the subscriber. The house was formerly occupied by himself, and is about one third of a mile from his present dwelling. The situation is high and remarkably healthy. The house has 4 rooms, and a kitchen and pantry, on the lower floor, and four chambers with fire places in the 2d story. It was well built under the superintendence of Mr. Lovering, a respectable English architect, and would make a comfortable summer retreat for a genteel family, or might be made a valuable Tavern by opening a road through the land. About one half of the land is in wood; the residue is capable of being made handsome grounds. There is a good well and pump in the yard; and there are several good springs on the land.  
The terms of payment will be one fifth in four months; the residue in four equal annual payments with interest; one half secured by notes well endorsed, and the whole by a deed of trust on the land.  
Possession may be had immediately.

**JAMES KENNEDY & SON,**  
**BOOKSELLERS, KING STREET,**  
Have just received from LEE'S PA-  
TENT MEDICINE Store, No. 46  
Maiden Lane, N. York,  
**A FRESH SUPPLY**  
Of the following genuine Medicines.  
For the prevention and cure of Bi-  
lious and Malignant Fevers, is  
recommended  
**Hahn's Anti-Bilious Pills.**

THIS Medicine has been attended  
with a degree of success highly grateful  
to the inventor's feelings, in several parts  
of the West India, and the Southern &  
Middle States, particularly in N. York,  
Philadelphia, Baltimore, Petersburg,  
Richmond, Norfolk, Edenton, Wilming-  
ton, Charleston, and Savannah. The  
testimony of a number of persons at each  
of the above places can be adduced, who  
have reason to believe, that a timely use  
of this salutary remedy has, under Provi-  
dence, preserved their lives, when in  
the most alarming circumstances.  
Facts of this conclusive nature, speak  
more in favour of a medicine than col-  
umns of pompous eulogy, founded on  
mere assertion.  
It is not, indeed, presumptuously pro-  
posed as an infallible cure, but the inven-  
tor has every possible reason that can re-  
sult from extensive experience, for be-  
lieving that a dose of these Pills, taken  
once in every two weeks, during the  
prevalence of our bilious fevers, will  
prove an infallible preventative; and  
further, that in the earlier stages of those  
diseases, their use will very generally  
succeed in restoring health, and frequen-  
ly in cases esteemed desperate, and be-  
yond the power of common remedies.  
The operation of these pills is perfectly  
mild, so as to be used with safety by per-  
sons in every situation, and of every age.  
They are excellently adapted to carry  
off superfluous bile & prevent its mor-  
bid secretions—to restore & amend the  
disordered system—to produce a free perspi-  
ration and thereby prevent colds which is so of-  
ten of fatal consequences. A dose never  
fails to remove a cold if taken on its first  
appearance—they are celebrated for re-  
moving habitual costiveness—sickness at  
the stomach and severe head-ache—and  
ought to be taken by all persons on a  
change of climate.  
They have been found remarkably effi-  
cacious in preventing and curing disor-  
ders attendant on long voyages, and  
should be procured and carefully preserv-  
ed for use by every seaman.

**HAMILTON'S WORM DES-  
TROYING LOZENGES.**  
Which have cured an immense num-  
ber of persons of both sexes, of every age,  
and in every situation, of various dan-  
gerous complaints arising from worms,  
and from obstructions or foulness in the  
stomach and bowels.  
This medicine bears no analogy what-  
ever to others of similar titles so com-  
monly complained of, as operating with  
violence; on the contrary, a particular  
excellence of this remedy is its being  
suited to every age and constitution. It  
contains nothing but what is perfectly in-  
nocent, and is also mild in its operation,  
cannot injure the most delicate pregnant  
lady or the tenderest infant of a week old,  
should no worms exist in the body; but  
will, without pain or griping, cleanse the  
stomach and bowels, of whatever is foul  
or offensive, and thereby prevent the pro-  
duction of worms, and many fatal disor-  
ders. The lozenges are particularly  
efficacious in carrying off all gross hu-  
mours and eruptions, feverish and bilious  
complaints, and are the safest and mildest  
purgative that can be used on any  
occasion.

**DESCRIPTION OF WORMS.**  
And the symptoms by which they are  
known:  
Worms which infest the human body,  
are chiefly of four kinds, viz.—The Ter-  
res, or large round worm; the Ascaris,  
or small maw-worm; the Cucurbi-  
tina, or short, flat, white worm; and  
lastly, the Taenia, or tape-worm, so cal-  
led from its resemblance to tape. This  
is often many yards long, and is full of  
joints. It is most hurtful and most diffi-  
cult to remove.  
Among the symptoms attending worms  
are—disagreeable breath, especially in  
the morning; bad and corrupted gums;  
itching in the nose, and about the seat;  
convulsions, epileptic fits, and sometimes  
privation of speech; starting and grind-  
ing of the teeth in sleep; irregular appe-  
tite, sometimes loathing food, and some-  
times voracious; purging, with slimy &  
fætid stools; vomiting; large and hard  
belly; pains and sickness at the stom-  
ach; slow fever, with small and ir-  
regular pulse; a dry cough; excessive  
thirst; sometimes pale and unhealthy  
countenance, and sometimes the face  
bloated and flushed.  
Persons afflicted with any of the above  
symptoms, should have immediate re-  
course to Hamilton's Worm Destroying  
Lozenges, which have been constantly  
attended with success, in all complaints  
similar to those above described.  
A dose of this medicine given occa-  
sionally during the warm season, will ef-  
fectually prevent "the vomiting and  
purging of children"—a dreadful dis-  
order, which annually destroys thou-  
sands of the infant part of our citizens.  
It is likewise the mildest and most cer-

tain remedy known, and has restored  
to health and strength a great number,  
when in an advanced stage of this fatal  
complaint. Particular and plain instruc-  
tions are given for every part of the ne-  
cessary treatment in such cases.  
Children generally take this medicine  
with eagerness; having a pleasing appea-  
rance, and an agreeable taste.

**Hamilton's Essence and Extract of  
Mustard.**  
A safe and effectual remedy for acute  
and chronic rheumatism, gout, asthmatic  
gout, palsy, lumbago, numbness, white  
swellings, chilblains, sprains, bruises, pain  
in the face and neck, etc.  
**The Genuine Persian Lotion.**  
So celebrated among the fashionable  
throughout Europe, is an invaluable cos-  
metic, perfectly innocent and safe, free  
from corrosive and repellant minerals,  
(the basis of other lotions) and of un-  
paralleled efficacy in removing blemishes  
of the face and skin, freckles, pimples,  
inflammatory redness, scurfs, tetter, ring-  
worms, sunburns, prickly heat, &c. The  
Persian Lotion operates mildly, without  
impeding the natural, insensible perspi-  
ration, which is essential to health, yet its  
effects are speedy and permanent, ren-  
dering the skin delicately soft and smooth  
and improving the complexion.

**The Restorative Powder for the  
teeth and Gums.**  
This excellent preparation comforts  
and strengthens the gums, preserves the  
enamel from decay, and cleanses and  
whitens the teeth, by absorbing all the  
acrimonious slime and foulness, which  
suffered to accumulate, never fails to in-  
jure and finally ruin them.  
**Hamilton's Grand Restorative.**  
Is recommended as an invaluable me-  
dicine for the speedy relief and perman-  
ent cure of the various complaints result-  
ing from dissipated pleasures, juvenile  
indiscretions, residence in climates un-  
favourable to the constitution, the im-  
moderate use of tea, frequent in oxica-  
tion or any other destructive intemperance  
the unskilful or excessive use of mer-  
cury, the diseases peculiar to females at a  
certain period of life, bad lyings in, &c.

safety on infants a week old, not con-  
taining a particle of mercury or any dan-

companied with that tormenting smart  
which attends the application of other  
remedies.
